Self-declared patients will be responsible for 100% of their charges until management determines the appropriate category.

- a) Those with incomes above 100% of the current FPG and at or below 200% of poverty, will be charged partial discounts according to the attached sliding fee schedule. These discounts are adjusted based on gradations in income levels. (Over 200% will receive no discount) The sliding fee schedule will be updated during the first quarter of every calendar year with the latest federal poverty guideline, <http://aspe.hhs.gov/poverty>.
 - b) Nominal Fee:
 - i) Patients will be assessed a nominal charge per visit according to the fee schedule. However, patients will not be denied services due to an inability to pay. The nominal fee is not a threshold for receiving care and thus, is not a minimum fee or co-payment.
- 7) Waiving of Charges:
- a) In certain situations, patients may not be able to pay the nominal or discount fee. Waiving of charges may only be used in special circumstances and must be approved by Pivotal's CEO, CFO, or their designee. Sliding Fee Discount Program applications cover outstanding patient balances for six months prior to application date and any balances incurred within 12 months after the approved date unless their financial situation changes significantly. The applicant has the option to reapply after the 12 months have expired or anytime there has been a significant change in family income. When the applicant reapplies, the lookback period will be the lesser of six months or the expiration of their last Sliding Fee Discount Program application.
- 9) Refusal to Pay:
- a) If a patient verbally expresses an unwillingness to pay or vacates the premises without paying for services, the patient will be contacted in writing regarding their payment obligations. If the patient is not on the sliding fee schedule, a copy of the sliding fee discount program application will be sent with the notice. If the patient does not make an effort to pay or fails to respond within 60 days, this constitutes refusal to pay.
 - i) At this point in time, Pivotal can explore options not limited, but including offering the patient a payment plan, waiving of charges, or referring the patient for collections efforts.
- 10) Record keeping:
- a) Information related to Sliding Fee Discount Program decisions will be maintained in the Patient Documents of the Electronic Medical Record.
- 11) Policy and procedure review:
- a) Annually, the amount of Sliding Fee Discount Program provided will be reviewed by the CEO and/or CFO.
 - b) The SFS will be updated based on the current Federal Poverty Guidelines. Pertinent information comparing amount budgeted and actual community care provided shall serve as a guideline for future planning. This will also serve as a discussion base for reviewing possible changes in our policy and procedures and for examining institutional practices which may serve as barriers preventing eligible patients from having access to our community care provisions. A periodic review of applications will be done to ensure proper implementation of policy is taking place. CMH & SAS evaluates, at least once every three years, its sliding fee discount program.
