### COMPENSATED ABSENCES BALANCE

### **BUILDING LOAN**

There were some issues with the tax-exempt loan status, and the board's request is to temporarily approve a 6% interest rate to initiate the loan. Once the tax-exempt status has been confirmed, the loan will revert to the original 5.5% approved by the board.

### **BUILDING SPENDING AUTHORITY**

Bullock CEO presented. With the new building, there will be times when, to save money, pre-purchasing of products will be necessary. This is in direct response to tariffs. The loan available for the new project is roughly \$366,000 short. The board's request is that they approve the CEO's ability to pre-purchase and spend up to \$366k on the new building project and help with tariff reductions when possible.

## **BOARD POLICY V.05**

AREA:	Governance		
POLICY TYPE:	Executive Limitations	PAGE:	1 of 2
POLICY	FINANCIAL CONDITIONS/ACTIVITIES (AUGUST	EFFECTIVE:	09/28/2022
TITLE:	2025)	REVIEWED:	08/26/2025

### **POLICY:**

With respect to the actual, ongoing financial condition and activities, the CEO will not cause or allow the development of fiscal jeopardy or material deviation of actual expenditures from board priorities established in Ends policies.

### The CEO will not

1. Expend more funds than have been received in the fiscal year to date, with the exception of federal, state, and local required services.

Executive Officer Response: Medicaid is overspent by \$1.72 million versus revenue received, a slight increase from \$1.52 million, and Healthy Michigan is overspent by \$100k versus revenue received, an increase of around \$50k. This does not include the increase we are expecting from the state for the mid-year rate adjustment. Those are expected to show in the August Financials presented in September.

2. Use any long-term reserves.

Executive Officer Response- No long-term reserves have been expended.

3. Allow payroll and debts to be settled in an untimely manner.

Executive Officer Response- All payroll and debts have been settled timely.

4. Allow tax payments or other government ordered payments or filings to be overdue or inaccurately filed.

Executive Officer Response- Tax payments are paid for and through Paycor as an automatic process.

5. Make a single purchase or commitment of greater than \$20,000. Splitting orders to avoid this limit is not acceptable.

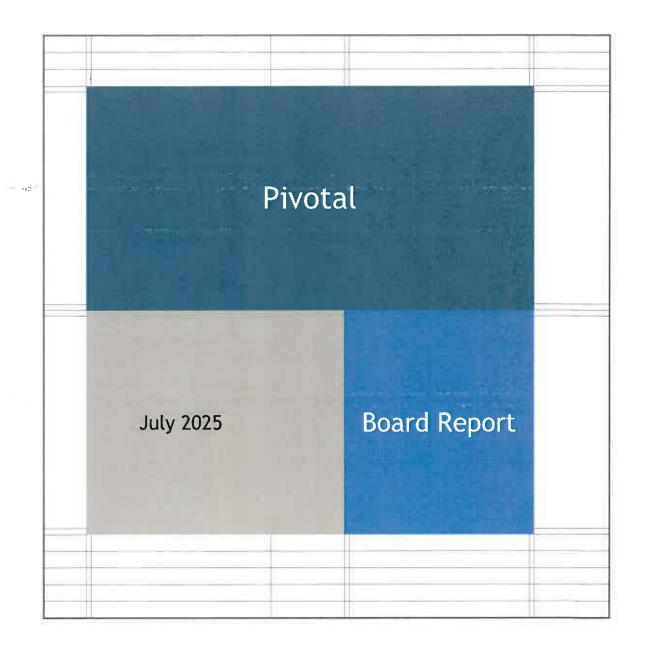

Executive Officer Response- No purchases greater than \$20,000 occurred.

6. Acquire, encumber or dispose of real estate.

Executive Officer Response- No real estate transactions have taken place.

7. Allow receivables to be unpursued after a reasonable grace period.

Executive Officer Response- Policies of uncollected funds are being followed and adhered to. Should the board wish to aggressively pursue collections such as collection agencies, I will do so. But current practices to bill repeatedly for 6 months, and if not able/or does not pay, the bill is then written off.

# **BOARD POLICY V.05**

AREA:	Governance		
POLICY TYPE:	Executive Limitations	PAGE:	1 of 2
POLICY TITLE:	FINANCIAL CONDITIONS/ACTIVITIES (SEPTEMBER 2025)	EFFECTIVE: REVISED REVIEWED:	09/28/2022 08/26/2025 09/30/2025

### **POLICY:**

With respect to the actual, ongoing financial condition and activities, the CEO will not cause or allow the development of fiscal jeopardy or material deviation of actual expenditures from board priorities established in Ends policies.

### The CEO will not

1. Expend more funds than have been received in the fiscal year to date, with the exception of federal, state, and local required services.

Executive Officer Response: Medicaid is overspent by \$1.59 million, down from \$1.72 million, compared to revenue received. Healthy Michigan is overspent by \$28k, down from \$100k. This does not yet appear to include the increase we are expecting from the state for the mid-year rate adjustment. Those are expected to show up in the September financials.

2. Use any long-term reserves.

Executive Officer Response- No long-term reserves have been expended.

3. Allow payroll and debts to be settled in an untimely manner.

Executive Officer Response- All payroll and debts have been settled timely.

4. Allow tax payments or other government ordered payments or filings to be overdue or inaccurately filed.

Executive Officer Response- Tax payments are paid for and through Paycor as an automatic process.

5. Make a single purchase or commitment of greater than \$20,000. Splitting orders to avoid this limit is not acceptable.

**Emergency Exemption:** In extraordinary and time-sensitive situations where immediate action is required to prevent significant harm to the organization's assets, operations, or stakeholders (e.g., a critical system failure, a building emergency, or an immediate safety risk), the CEO is authorized to exceed this spending limit without prior approval.

In such cases, the CEO must:

- a. Immediately notify the Board Chair, providing an overview of the situation and the action taken.
- b. Provide a full, written report to the entire board at the next scheduled meeting, detailing the nature of the emergency, the expenditures made, and the rationale for the decision. This report should be submitted as a part of the regular monitoring reports to ensure transparency and accountability.

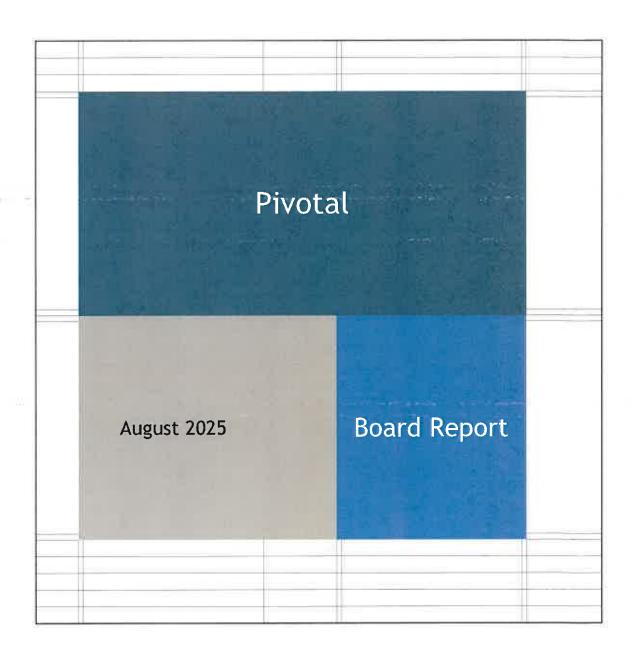

Executive Officer Response - We completed a server upgrade that was just under the \$20,000 limit. This was necessary because our servers would no longer be protected by updates and security patches. These should be good for the next 5-10 years, depending on updates and serviceability from vendors.

6. Acquire, encumber or dispose of real estate.

Executive Officer Response- No real estate transactions have taken place.

7. Allow receivables to be unpursued after a reasonable grace period.

Executive Officer Response- Policies of uncollected funds are being followed and adhered to. Should the board wish to aggressively pursue collections, such as collection agencies, I will do so. However, current practices involve repeatedly billing for 6 months, and if the client is unable to pay, the bill is then written off. For purposes of the board, we have written off for July 2025, \$340.55.
